MEET YOUR PSSR

Matt Taylor - Tallahassee, Perry

I have been working at Ring Power for 6 years and currently work as a Marine, Truck and Product Support Sales Rep based in Tallahassee. I enjoy building a relationship with my customers. The most rewarding aspect of the job is helping a customer out in an emergency. In my spare time I enjoy fishing, going to the beach and spending time with my family.

John Kilgore - Jacksonville and St. Augustine

I began my Ring Power career in the Heavy Equipment division as a Certified Welder/Fabricator. Throughout my more than 27 years with Ring Power I have held numerous positions. I currently serve as a truck Product Support Sales Representative for Northeast Florida. Additionally, I handle forestry equipment sales in Nassau County. My favorite part about my job is the opportunity to meet new people and make new friends. In my spare time I enjoy hunting and fishing.

Jacob Sortman - Lakeland, Tampa, Sarasota, Brooksville

I have been with Ring Power for 4 years. I work with a great team and we truly love to help people when they are in need. I spend most of my spare time on the baseball field, coaching my 8 year old son. I have 4 kids and a beautiful wife who just started college herself and for that I am very proud of her.

Derek Dobbs - Daytona, Palm Bay, Orlando

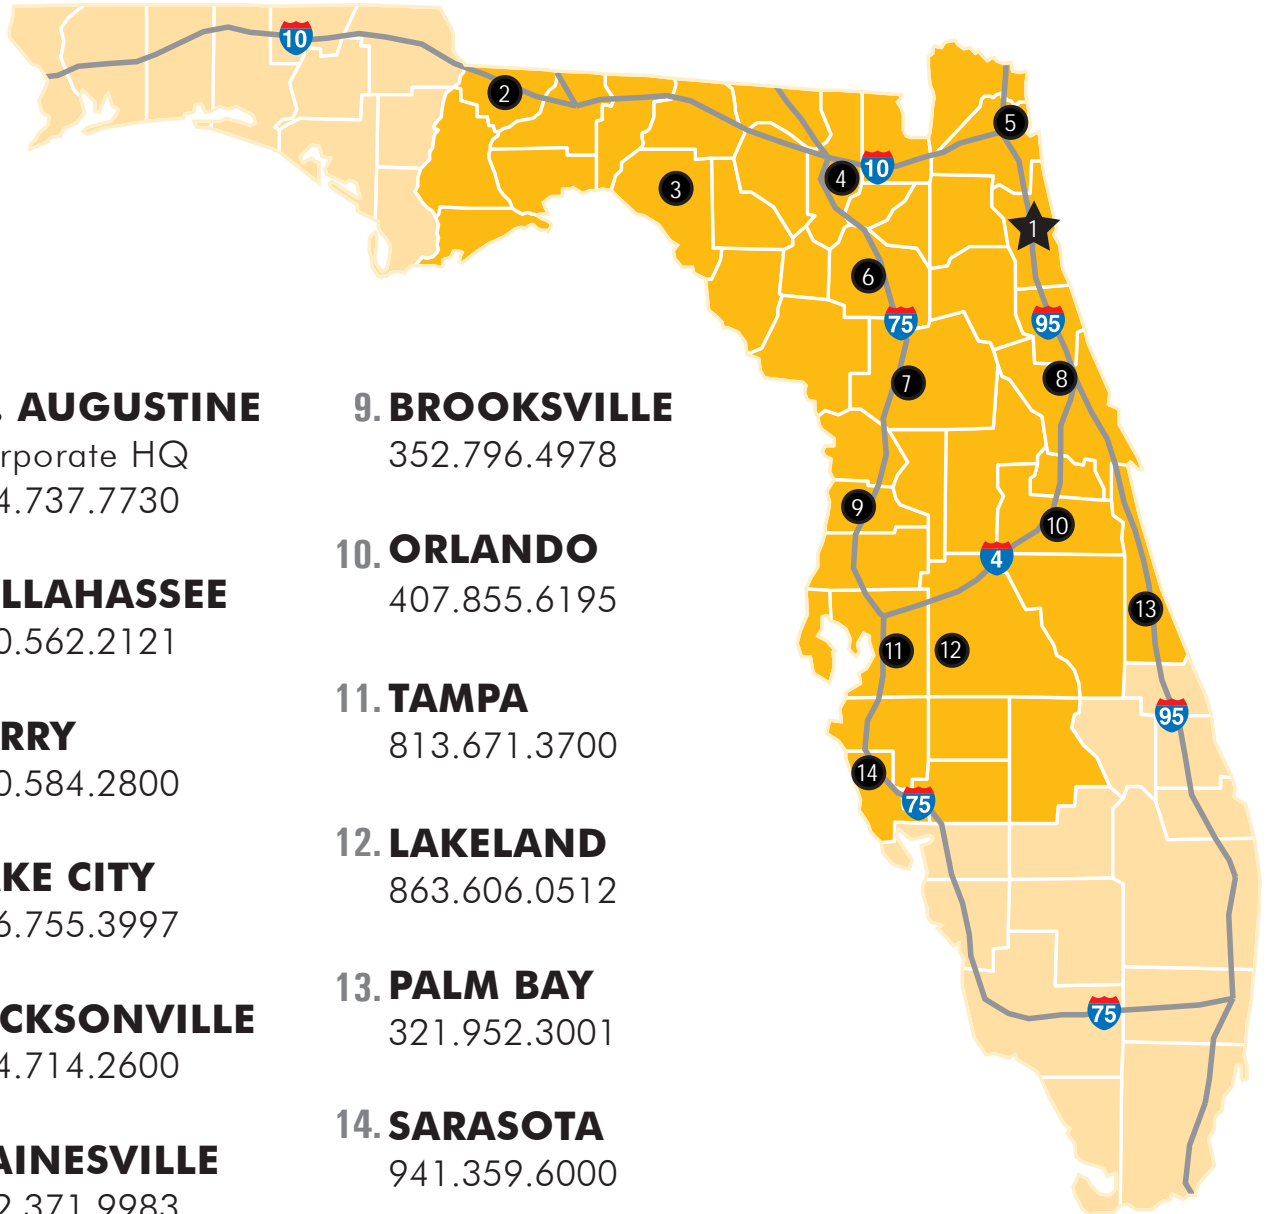

I have been with Ring Power for 3 years. I enjoy spending time with my wife and 2 children. In my spare time I enjoy fishing, playing any sport, and hanging out with friends. Meeting new people everyday and building relationships is what I enjoy most about my job.

Mark McMillan - Ocala, Gainesville, Lake City

I have been with Ring Power a total of nearly 3 years; 1 as a Truck Technician and closing in on 2 in sales. I have been a resident of North Florida for nearly 28 years; 15 of which I have spent in the On-Highway Truck Parts & Service Industry. My position here at Ring Power gives me the opportunity to share my knowledge with all of my customers, as well as the opportunity to learn from each one of them. In my spare time I can usually be found on the water fishing!
